FROM THE CHAPLAIN - position vacant
Comrades who are ill:

None

I would like to thank everyone who helped out with the various projects around the Post this past year. It's time to start fresh.

Thanks to the members who went to the annual VA's Holiday Party on Dec. 12. The Vets present were very happy to receive the gifts and the attention given to them in the ward.

On Nov. 6 the Meat Bingo in the lounge had a great turnout. Once again lots of fun and super prizes. Thanks for the Turkey for my Thanksgiving Dinner!

On Nov. 13 the Wounded Warrior fund raiser dinner went to support our Troops.

On Nov. 20 the State Commander's Banquet was held in Taunton. Our Post was represented by our Senior Vice John Reid, Auxiliary President Jackie Thomas, Sons Commander Richard Morris, and Post Sgt at Arms (Jr. Vice District 5) Anthony Macaudda, and myself. Except for getting lost several times it was a good time.

On Dec. 4 the Holiday Party in the lounge had Karaoke, Dancing, and a great Dinner. A Good time was had by all.

On Dec 10 was the Band Holiday Party. Nice to see the Post represented at this function.

The Bar Stools are being refurbished a few at a time, as it is cost effective to proceed in this manner as opposed to buying new stools, that do not match up to the quality of the present stools and are very expensive. Thanks go to Nancy's extensive research into the cost and quality of what is available to replace the stools. The cabinet doors under the bar counter have been replaced with new sliding doors.

Comrade Gately (former Mayor of Waltham, member of the Post) now deployed has sent the Adjutant a flag embroidered with the Post name flown in Iraq and some Iraqi bills and a nice letter.

Feb. 6 is the Four Chaplains Memorial Ceremony at VA Bedford Chapel. Let's have a good turnout. We will depart the Post at 1:15pm sharp. Meet in me upper parking lot.

WE ARE STILL IN NEED OF A CHAPLIN.

PLEASE CONSIDER ATTENDING THE POST MEETINGS HELD 3rd TUESDAY OF EACH MONTH. IT'S YOUR POST!

The Post officers would like to be made aware of member who is ill so that proper recognition can be made in this newsletter and in the lounge.

Comrades transferred to Post Everlasting:

WWII-James Hill

If the family of a member that has passed away and would like the Post to perform a ritual at the viewing, they need to request it through the Post. Please notify Post 156's office as soon as possible if so interested.

2011 DUES ARE DUE

As of this mailing, we have just about reached the 85% of our goal for Post membership for 2011. This still leaves about 15% who have not renewed. We want to maintain or grow our membership level. Your support helps.

A reminder: To help reduce cost and use of paper the Post Times can be received via email. If you do not already receive yours this way and would like to, please email me at dpbernhardt@comcast.net. *Dennis*
